Speaker: Pastor Adam Meredith

Series: {Child Dedication Sunday}

Sermon: Raising Up in the Lord

Passage: Eph 6:1-4

Date: April 23, 2023

Sermon Notes:

1. What to Avoid
2. What to Do Instead
3. How

Discussion Questions:

- What tendencies or traits do you have that might easily exasperate someone you lead or raise?
- “Tender care” or “firm expectations” – which one comes more naturally to you? How can you grow in more fully administering both?
- Try to connect the gospel to your parenting, if you are a parent, or to your relationships with others in general, especially if you are not a parent, as directly as possible. How would your attitudes and actions be different if you more fully grasped the power of the gospel?
