**Speaker:** Pastor Adam Meredith

**Sermon:** Two Ways to Be Lost

**Passage:** Luke 15:11-32

**Date:** October 8, 2023

### **Sermon Notes:**

1. The Insolence of the Younger Brother
2. The Extravagance of the Father
3. The Obedience of the Older Brother

### **Discussion Questions:**

- How can this passage change the way you view and treat “younger brothers” (whether you are one or not)?
- How can this passage change the way you view and treat “older brothers” (whether you are one or not)?
- If you have an “older brother” mentality and disposition, how is this passage meant to convict you? Does it? What are some things you need to confess in the midst of all your “good deeds”? How might the love of God be changing you to live differently?
