**Sermon: Women of Grace**

**Date: 11-26-17**

- **We heard how Matthew included individuals who had been excluded socially, morally, and spiritually/ethnically. Give a brief recap of each (Tamar, Rahab, Ruth, Bathsheba).**
- **What kind of reasons did you have in the past for thinking about the genealogies in Scripture? Was what we heard on Sunday a new perspective? Did it add anything to the way you think about Matthew's genealogy?**
- **Who are some people in our own lives whom we tend to overlook (could be specific individuals or classes of people)?**
- **Are there any steps you can take this Advent season to show grace to them?**
- **Spend some time praising God for coming to us in spite of our imperfections, for giving us His grace, and for taking our brokenness upon Himself to bring us home.**
