Sermon: The Obedience That Comes From Faith

Date: 5-20-18

- **Has there ever been a time when God called you to something that looked challenging? How did you respond?**
- **Have you ever “presumed against the Lord”? What was the situation? How did it turn out?**
- **In your own words, what’s the connection between obedience and faith? What are the problems when we have faith but not obedience? What are the issues when we try to have obedience without faith?**
- **“Living by faith” is not so much a rebuke to our reason but to our pride. In what ways does using your ability to reason coincide with faith?**
- **What are some areas of Biblical teaching that modern American churches have trouble accepting?**
- **Pray for your group and our church as a whole to have “the obedience that comes from faith.”**
