Sermon: How to Agree with Joy

Date: 11-4-18

- **Do you have any favorite “There are 2 kinds of people phrases...” of your own?**
- **How are our values twisted today? What effect does that have on our Christian lives?**
- **Where do you most see the “destruction, shame, and living for your own desires” as an issue in your life?**
- **What would it look like for you to “live out of your citizenship” practically in that particular area?**
- **How does “but our citizenship is in heaven” differ from mere moral adjustments to your behavior? Why does that matter?**
- **How often do you consciously think of the glory of the bodily resurrection that awaits us? Why do you think Christians don’t reflect on that more? What difference would it make in your life to remember this doctrine?**
- **Pray for one another to stand firm in your heavenly citizenship, with eyes fixed on our glorious Savior who is to come again.**
