Sermon: When God Asks You Why

Date: 7-14-19

- **What are some foolish exchanges you've made in your life (spiritual or otherwise)?**
- **As you picture God looking through your life, what are some things He would question you about?**
- **Spend some time in quiet reflection. What's a painful memory from your past? What promises have you made to yourself in order to try to prevent that from happening again? How does Christ offer you something far better?**
