Date: 11-10-19

- **In what ways is it harder for you to “put your faith into practice” in the everyday scenarios of living with your own family? Why do you think that is?**
- **What general wisdom do you see in Paul’s instruction regarding younger widows? How does this challenge prevailing attitudes in our culture today?**
- **In your own words, why is practical provision for others so closely related to one’s faith? What’s one thing you can do to grow further in this area?**
