Date: 12-22-19

- **How does thinking about Christmas like a story you’re part of differ from how you’re used to thinking about Christmas? In what ways are you used to thinking about Christmas as meaningful but separate from your own life?**
- **Which of the three “ways to participate in the story” stood out to you the most? Why so?**
- **What’s one very practical thing you can do this year to really participate in the ongoing story?**
