Sermon: Descending Up the Mount

Passage: Matt 7:13–29

Date: 4-12-20

- **How much have you thought about verses 21–23 in the past? In what ways do they most challenge you today?**
- **What does entering the narrow gate require you to let go of personally? (Are there any ways in which you can already see how giving this up will lead to increased freedom in the end?)**
- **Jesus is constantly calling us to put this sermon into practice, not just to listen to it. What are some ways you can do what His Sermon on the Mount is calling you to do right now?**
