Sermon: Prayers of Repentance

Passage: Dan 9:1–19

Date: 5-3-20

- **What trends or events are particularly significant to you right now? What are some pieces of Scripture that you keep in mind when thinking about when and where we live? What hope have you personally perceived in God’s Word regarding our current times and circumstances? What conviction does His Word bring?**
- **Have you ever tried to willingly stand with someone who had done something wrong even though you were innocent? (Don’t we normally try to distance ourselves from the act as much as possible?) If you’ve experienced this, what was it like? If you’ve never really experienced it, what thoughts do you have about doing so?**
- **Take some time to practice corporate confession. What things can you ask God for forgiveness and healing from? What are some things you can do – now or in the future – to express genuine sorrow and repentance to God?**
