

Life Group Discussion Questions

Series: "2020 Spiritual Vision"

Sermon: Love at First Sight

Passage: 1 Cor. 13:1–13

Date: 8-2-20

- **What's at least one way you see evidence of "gong-clanging" in your own life?**
- **It hardly works to ask "what's a practical way you can serve?" because genuine service (which is selfless) and mere external morality (which is selfish) can look so similar on the surface. So instead, discuss some diagnostics that could help you tell when your heart is self-centered even in "good" deeds.**
- **How does reflecting on Jesus as Love Personified enable you to seek the good of others from a place of fullness? Try to be as specific as you can.**
