Series: Light in the Darkness

Sermon: Meeting the King

Passage: Isaiah 6:1–13

Date: 12-6-20

- **In what ways has God been more of a Concept to you than a Reality so far? How have you tried to fit Him in around your life rather than the other way around?**
- **If God were as real to you today as He was to Isaiah in Isaiah 6, how would your life be different? How can you live more in light of that reality here and now?**
- **As soon as Isaiah meets God, God immediately sends Him on a mission. It's the same for believers today. What would God have *you* do to be a light for those in the dark during this time?**
