

## **Sermon Notes & Discussion Questions**

**Speaker:** Pastor Adam Meredith  
**Sermon:** When Christians Disagree  
**Passage:** Romans 14:1–15:7  
**Date:** February 7, 2021

### **Sermon Notes:**

- A. The Way the World Handles Disagreement.
  
- B. The Way Christians (Should) Handle Disagreement.
  
- C. What Moves You From A to B.

### **Discussion Questions:**

- When have you felt the temptation to handle disagreements the way the world does (as in, “to let both sides do their own thing and just stay separate from each other”)?
  
- Think of an ongoing disagreement you have with someone right now. Can you put their position fully into words? Why do they think the way they do? If you can’t, what research or questions do you need to ask in order to understand where they’re coming from?
  
- Are there any current issues where you have been acting as though you expect the other side to adapt to you? What is one practical thing, in light of the Gospel, that you could do to restrict your own freedom, bear their burden, and open your arms in relationship to them? Are you willing to do this?
