

Sermon Notes & Discussion Questions

Speaker: Pastor Adam Meredith

Sermon: Mighty Deeds

Passage: 2 Samuel 23:20–23

Date: April 11, 2021

Sermon Notes:

1. Who Benaiah Was.
2. What Benaiah Did.
3. Why You Should Care.

Discussion Questions:

- What are some ways that we struggle to correctly interpret and apply the Old Testament today?
- How is the pattern of first connecting a story to Christ different from jumping immediately to application in your own life? (You might also ask, "How can we keep from making overly fanciful connections to Christ from OT stories?")
- Given what you heard in the message today, are there any Christ-focused applications you can make? Are there any other OT passages that this model might help you better understand?
