Date: August 8, 2021

Sermon Notes:

- 1. Calling.**
- 2. Confusion.**
- 3. Certainty.**

Discussion Questions:

- 1. How do the dynamics of a *call* point you to God's grace? How have you been tempted to put yourself in the position of the caller or seeker instead of God?**
- 2. Have you ever been confused as to whether something was from the LORD or not? Did anything help clarify the situation for you? If so, what was it?**
- 3. How does today's message inform the way you think about a phrase like "hearing from God"? What's a practical way you can give priority to the Word and the Spirit this week?**
