

## **Sermon Notes & Discussion Questions**

**Speaker:** Pastor Adam Meredith

**Sermon:** Cherish the Word

**Date:** November 7, 2021

### **Sermon Notes:**

1. God's Word Is Precious...
2. ... And Powerful...
3. ... Because It Is Revelatory.

### **Discussion Questions:**

- What things most tend to keep you from being in God's Word? What does that say about what's really going on in your heart?
- What's at least 1 practical lesson regarding God's Word that you can learn and apply from our brothers and sisters in persecuted contexts?
- How is reading the Bible as supremely revelatory of Jesus Christ perhaps different from how you normally tend to approach it? Is there anything that can be done that might help you remember this priority as you read in the future?
