Discussion Questions:

- If you're a believer in Christ, what are evidences of a changed heart in your own life? (You can share these as praise to Him with no boasting of yourself.)
- Whether you're a believer in Christ or not yet one, what are some ways you've tried to give the appearance of external change without a real underlying transformation? A different way of asking this might be, "in what ways do you detect continued self-centeredness even in your 'good, religious deeds'?"
- Whether you are growing in the new life of Christ, or experiencing it for the very first time, what's at least 1 area where your character would be different if your heart was more fully changed by the Spirit?
