### **Discussion Questions:**

- What is your typical mindset when facing trials? How might this passage transform your thinking?
- How does Jonathan's possibility-with-certainty outlook challenge you? What things can we be certain of (as NT believers)? Where are you tempted to waver when you should be certain? Where are you tempted to be certain when you should remain humbly cautious?
- How does this passage point to Jesus before it points to you? Why does that matter? What are the implications for you if you are then united to Christ (in light of what this passage shows us of Him)?
