Sermon: A Resurrection Shaped Faith
Scripture: Luke 24
Date: April 17, 2022

Sermon Notes:

1. God's Ways Aren't Always What We'd Expect
2. God's Ways Are Better Than What We'd Expect
3. We Can Learn to Expect God's Ways

Discussion Questions:

- What are some times when you've experienced God's ways being different from your expectations?
- How does the resurrection give you great boldness? How does the resurrection give you profound humility? What does the combination of these two look like in your life specifically?
- Reflect on this for a bit: what are some ways that a world with death-followed-by-resurrection might be superior to a world in which death never took place in the first place?
