### **Discussion Questions:**

- In what ways do you struggle with God’s pronouncement against the Amalekites? What do you think are some of the sources or influences of this struggle?
- In what ways do you (perhaps implicitly or unconsciously) rank sins? What are some little sins that you tend to justify as “no big deal”? In your own words, how are those sins still a major affront to the Living God?
- How do we hold “God repenting” and “God not repenting” together? How do we see these together at the Cross? What’s a practical implication for you of each?
