

Sermon Notes & Discussion Questions

Speaker: Pastor Adam Meredith

Sermon: The Mystery of the Gospel

Passage: Ephesians

Date: November 13, 2022

Discussion Questions:

- **What words and phrases does Paul use in Ephesians 1 to describe God's will? In your own words, what does God will in His relationship to you? How does this knowledge comfort, encourage, challenge, and inspire you?**
- **How do Paul's prayers relate to the rest of his writing here? How can this example shape and inform your own prayers?**
- **The second half of Ephesians contains sustained calls to application. What's at least one application you can / need to make from this section? Which side do you tend to fall on: trying to do "good works" without having them really stem from the gospel, or "believing" the gospel but not really working it out in day-to-day life? How can this part of the Bible help you fuse belief and practice?**
