

## **Sermon Notes & Discussion Questions**

**Speaker:** Pastor Adam Meredith

**Sermon:** Why We Sin (and How Not To)

**Passage:** Matthew 12:33-37

**Date:** January 15, 2023

### **Sermon Notes:**

1. Two Possible Sources

2. One Real Solution

### **Discussion Questions:**

- Can you think of a situation (recently!) where you'd like to blame the circumstances for a poor response on your part? Talk about what's going on there.
- In your own words, why are "little things" like off-handed speech so important? In the situation you thought of above, what troubling or revealing thing do your words or actions have to say about your heart?
- Connect the cross of Christ to that situation. How would your response be different if it was the very life of Christ that was spontaneously flowing out of you? Will you ask Him now to further change and fill you with His very Spirit?
