Sermon Notes:

1. The Joy of God in Creation
2. The Joy of God in Repetition
3. The Joy of God in Adoption

Discussion Questions:

- What misrepresentations or distortions of fatherhood (for you personally or people in general) do we need to clear away from our understanding of God the Father? In what ways is the fatherliness of the Father good news to *you*?
- How is God's notion of "do it again" different from yours? What are sometimes you've grown tired of repetition? How can God's abounding joy inspire you to the same in the ordinary and mundane things of life?
- What does it mean in your life to be adopted by God? What's at least 1 area where this truth could greatly change how you think and live?
