Speaker: Pastor Adam Meredith

Series: Resurrection Sunday

Sermon: Resurrection and the Freedom of the Will

Passage: Rom 8 + Rev 21

Date: April 9, 2023

Sermon Notes:

1. What Is God Up To?
2. Why Would He Do It This Way?
3. What Does That Mean For Us in the Meantime?

Discussion Questions:

- How would you answer each of the headings into today's outline in your own words? What is the end result of the big picture of the Story God is telling? Where is all this headed?
- What is God's intent or design in running all creation through a grid of redemption and resurrection, rather than simply starting with a finished product?
- How will you let this affect you personally? What is at least 1 aspect of life for which you'll change your outlook and expectations in light of the big picture God is doing and the process by which He has chosen to bring it about?
